

POLICE CONDUCT OVERSIGHT COMMISSION
January 12, 2016
Policy and Procedure Committee
Chair Report

Chair Brown and Commissioners:

The Policy and Procedure Committee met on December 15th. All committee members (Commissioners Singleton, Westphal and Buss) were present as well as OPCR's Ryan Patrick. Complete agenda and meeting minutes are available on the committee website: <http://www.ci.minneapolis.mn.us/civilrights/conductcomm/WCMS1P-122238>

Agenda Items Discussed:

The main points of discussion were the Doesn't Fit Any Crime Study and the EDP/ MH Interactions.

- **Doesn't Fit Any Crime**

Review of the Doesn't Fit Any Crime study revealed that issues were primarily based on reporting system limitations. Due to the development of a new reporting system, there were no specific recommendation to updates the codes available in the current system.

Deputy Chief Glampe has been requested to update the commission on the status of the new RMS as well as the Body Camera policy.

- **EDP/MH Interactions**

Following community input and additional meetings and research by Commissioner Westphal, a motion was presented at the December commission meeting requesting the OPCR develop a methodology for gathering information on MPD interactions with Emotionally Disturbed Persons and those with Mental Health issues, including the types of interactions, frequency, and outcomes. That work is ongoing and an initial review will be discussed at our January meeting and presented to the full commission in February with recommendation for the scope and format of a full Research and Study leading to recommendations for the MPD.

The next meeting of the P&P Committee will be held here at 6:00pm on Tuesday, January 26th.

Respectfully submitted,

Andrew Buss
